

APP YOUR SCHOOL. The Experimentation. A Manual for Future Activities

The APP YOUR SCHOOL Manual is written in English from a group composed by partners of the 8 countries of the project and focuses on the methodological aspects of the App Your School Project and its main axes: how to insert technology in the curricula; how to create the link with media education and civic engagement; build connections with art, multimedia and pedagogical innovation; value extracurricular skills and student's motivation/dispositions (especially in the case of students at risk of Early School Leaving).
